

**2004 MARYLAND ERROR REJECTION CODES
FORM 502**

MD Error Codes	Error Description	Field Size/ Type
0001	DCN is invalid; positions 3-8 must equal EFIN of originator; required field	14 N
0004	RSN is invalid; positions 1-5 must equal ETIN of transmitter; required field	16 N
0007	Form Record ID is invalid; must equal "502" and be in generic record only; required field	3 N
0010	State Operations is invalid; must be blank, reserved for future use	6 A
0013	Original Form Type is invalid; must equal "MD502"; required field	5 AN
0016	Fiscal Year Beginning Date is invalid; zeroes or present; must be present and be in YYYYMMDD format if fiscal year return, zeroes otherwise	8 N
0019	Fiscal Year Ending Date is invalid; zeroes or present; must be present and be in YYYYMMDD format if fiscal year return, zeroes otherwise	8 N
0022	Primary First Name is invalid; must equal at least one alpha character; the only characters allowed are alpha, space, and hyphen; required field	16 AN
0025	Primary Middle Initial is invalid; blank or present; if present must equal upper case alpha character	1 A
0028	Primary Last Name/Primary Suffix is invalid; must be at least one character; the only characters allowed are alpha, space, and hyphen; required field	35 AN
0031	Primary SSN is invalid; must equal all numeric characters and cannot equal 000000000 or 999999999; required field	9 N
0034	Primary Date of Death is invalid; zeroes or present; must be present and be in YYYYMMDD format if decedent return indicator = "P" or "B"; required field	8 N
0037	Secondary First Name is invalid; blank or present; must be present when a joint filing status is claimed (FS = 2) and must be at least one alpha character; the only characters allowed are alpha, space and hyphen	16 AN
0040	Secondary Taxpayer's Middle Initial is invalid; blank or present; if present must equal upper case alpha character	1 A

**2004 MARYLAND ERROR REJECTION CODES
FORM 502**

MD Error Codes	Error Description	Field Size/Type
0043	Secondary Last Name/Secondary Suffix is invalid; blank or present; must be present when a joint filing status is claimed (FS = 2) and must be at least one character; the only characters allowed are alpha, space and hyphen	35 AN
0046	Secondary Soc Sec NBR is invalid; zeroes or present; must be present when a joint filing status or married filing separately is claimed (FS = 2 or 3); if present must equal all numeric characters and cannot equal 000000000 or 999999999	9 N
0049	Secondary Date of Death is invalid; zeroes or present; must be present and be in YYYYMMDD format if secondary or both taxpayer deceased (decendent return indicator = "S" or "B")	8 N
0052	Decendent Return indicator is invalid; blank or present; must be present and equal "P" if primary taxpayer deceased, "S" if secondary taxpayer deceased, or "B" if both deceased	1 A
0055	Name of Administrator or in Care of Addressee for Deceased Return is invalid; blank or present; the only characters allowed are alpha, space and hyphen	30 AN
0058	Street Address is invalid; cannot use ".", "*", and "#"; see Attachment 1 (2004 MD E-File Handbook) for standard address abbreviation; required field	35 AN
0061	Street Address continuation is invalid; blank or present; cannot use ".", "*", and "#", see Attachment #1 (2004 MD E-File Handbook) for standard address abbreviation	35 AN
0064	City/Town is invalid; required field	22 A
0067	State is invalid, see Attachment 2 (2004 MD E-File Handbook) for standard state abbreviations; required field	2 A
0070	Zip Code 5 is invalid, must equal all numeric characters; required field	5 N
0073	Zip Code 4 is invalid; must equal zeroes or greater	4 N
0076	County is invalid, see Attachment 3 (2004 E-File Handbook) for valid MD county abbreviations; required field	2 A
0079	Incorporated Area invalid; see Attachment 4 (2004 E-File Handbook) for valid incorporated towns, cities and special taxing areas; required for special taxing areas only	24 A
0085	Filing Status is invalid, must equal 1,2,3,4,5, or 6; required field; if FS = 2, spouse SSN, secondary first name and last name are required fields; if FS = 3 spouse SSN is required field	1 N

**2004 MARYLAND ERROR REJECTION CODES
FORM 502**

MD Error Codes	Error Description	Field Size/Type
0088	Part-Year/Military Indicator 1 is invalid, must equal "P" – for Part-Year MD resident, "N" for No residence change, "M" – for military with non-MD military income, or "D"- for joint return with different taxability statuses. When "N" is used, Part-Year/Military Indicator 2 and 3 must be blank. If "M" or "D" is used, "M" or "D" must be Part-Year/Military Indicator 1.	1 A
0089	Part-Year/Military Indicator 2 is invalid; must equal "P", "M", "D", or blank	1 A
0090	Part-Year/Military Indicator 3 is invalid; must equal "P", "M", "D" or blank	1 A
0091	Maryland Part-Year Resident From Date is invalid; zeroes or present; must be present and be in YYYYMMDD format if residence change = "P"; required field	8 N
0094	Maryland Part-Year Resident To Date is invalid; zeroes or present; must be present and be in YYYYMMDD format if residence change = "P"; required field	8 N
0097	Other State of Residence is invalid; blank or present; must be present if Residence Change="P", see Attachment 2 (2004 MD E-File Handbook) for valid state abbreviations codes	2 A
0100	Exemption Self (A) is invalid; blank or "X"; must equal "X" if FS = 1, 2,3,4, or 5; must equal blank if FS = 6; required field	1 A
0103	Exemption Spouse (A) is invalid; blank or "X"; must equal "X" if FS = 2	1 A
0106	Exemption Total (A) is invalid; must equal 0,1,or 2; must equal total of exempt yourself and exempt spouse; required field	1 N
0109	Exemption Total (A) amount is invalid; must equal \$2400 x exemption total (A); limited to \$4800	6 NS
0112	Self 65 or Over (B) is invalid; blank or "X"; must equal "X" if primary taxpayer is 65 or over	1 A
0115	Self Blind (B) is invalid; blank or "X"; must equal "X" if primary taxpayer is blind	1 A
0118	Spouse 65 or Over (B) is invalid; blank or "X"; must equal "X" if FS=2 and spouse is 65 or over	1 A
0121	Spouse Blind (B) is invalid; blank or "X"; must equal "X" if FS=2 and spouse is blind	1 A
0124	Exemption Total (B) is invalid; must equal 0,1,2,3, or 4; must equal total of self 65 or over, self blind, spouse 65 or over, and spouse blind exemptions	1 N
